

RULES OF CONDUCT AGREEMENT

The professionals and staff at MoZaic Care pride ourselves in treating each other and patients the way we would want to be treated. In addition, optimal patient care can only be achieved when mutual trust and respect exist.

This behavioral agreement between the patient and MoZaic Care (MC) is therefore required before we can engage in a professional relationship.

I understand that I am welcome to receive care at MC as long as I agree to the following rules:

1. Verbal or physical threats or behavior directed at staff, clients, or any other person on MC grounds is prohibited.
2. Waiting patiently for the physician's and staffs' availability is expected.
3. Alcohol, drugs, smoking, and other non-medical materials are not allowed in the clinic.
4. Weapons of any kind are prohibited. This includes guns, knives, razors, pepper spray, brass knuckles, taser, explosive device or any other dangerous weapons.
5. Video or audio recording devices without MC's consent.
6. Any verbal and written communication with the staff should be in a mutually respectful manner.
7. Use of derogatory language as well as offensive language based on appearance, race, sexual orientation, or any other identifying category is prohibited.
8. Grievances should be brought to our attention early and respectfully.

Failure to comply with the above will result in a warning letter that will be issued in writing. If the above takes place in our clinic, you will be asked to leave immediately. Continued violations may lead to termination of the professional relationship. MoZaic Care reserves the right to terminate any patient from the clinic indefinitely for offenses deemed severe and dangerous to staff and patients.

MoZaic Care agrees to the following rules:

1. Verbal or physical threats or behavior directed at patients, their family members, or representatives is strictly prohibited.
