Bonnington, A., Martin, L., Eagen-Torkko, M., Youatt, E., Hassinger, J., Debbink, M., & Harris, L. (2012). *Beyond "Pro-Life" and "Pro-Choice": Caring for Pro-Life Patients Seeking Abortion*. Poster presented at UMMS Student Biomedical Research Program Fall Research Forum; Ann Arbor, MI, November 1, 2012.

TEACHING EXPERIENCE:

Corps Member, Teach For America (June 2009 – June 2011)

Greater Newark Corps

Newark, New Jersey

- Taught high school Biology and Human Anatomy & Physiology at Passaic High School
- Served as official mentor through the State of New Jersey for a first-year teacher
- Volunteered as staff adviser for the Environmental Science Club
- Served as Chair of the Transition Team Leader Committee, which assisted new corps members during Round Zero and with the transition from Institute into the classroom
- Served as Social Chair and Community Service Co-Chair of the Brick Committee to coordinate events for the Greater Newark Corps

Undergraduate Student Instructor, Chemistry 211: Investigations in Chemistry (September 2007 – May 2009)

The University of Michigan

Ann Arbor, Michigan

- Responsible for the supervision and instruction of twenty undergraduate students per semester
- Tasks included facilitating weekly laboratory experiments, ensuring overall safety, helping students to work through difficult material, grading of laboratory notebooks, hosting of exam review sessions, and proctoring/grading of exams

HEALTH RELATED LEADERSHIP and SERVICE:

Co-Chief, Wellness Committee (June 2018 – June 2019)

University of California, San Francisco

San Francisco, California

- Responsible for promoting a culture in which our residents are supportive of one another so that each resident feels that they are getting the individual encouragement that they need
- Recruited other residents interested in promoting wellness and formed a Wellness Committee, coordinated resident debrief sessions each block for our most challenging rotations, acquired departmental funding for a social outing each block for our two Gynecology teams, planned Wellness curriculum for our weekly didactics sessions, and organized residency-wide activities

Member, STEP UP (November 2015 – June 2019)

San Francisco General Hospital Department of Family and Community Medicine

San Francisco, California

- Program aims to increase collaborations across departments and multiple residency learner levels, apply new learning strategies, and create a new competency-based learning and assessment tool for social medicine training efforts
- Participated in several sponsored events focused on increasing exposure to the neighborhoods in which our patients live, promoting harm reduction strategies for patients with substance abuse, and thinking critically about how we can best support our most underserved patients
- Received Certificate of Health Equity Studies

Executive Board Member and General Member, Medical Students for Choice (August 2011 – May 2015)

University of Michigan Medical School

Ann Arbor, Michigan

- Served as the Observership Coordinator for medical student volunteer experiences at Planned Parenthood
- Assisted with educational events, fundraisers, and social activities
- Attended the Medical Students for Choice National Conference in Baltimore, Maryland in 2011; St. Louis, Missouri in 2012
- Attended the Law Students for Reproductive Justice Regional Conference in Ann Arbor, Michigan in 2012

Social Chair and General Member, Black Medical Association (August 2011 – May 2015)

University of Michigan Medical School

Ann Arbor, Michigan

- Coordinated fundraisers and bonding events, created social media publications and promotional videos, and attended community service events and health fairs
- Organized a film screening of “We Always Resist – Trust Black Women” with Medical Students for Choice
- Recruited self-identified black medical school applicants for matriculation at UMMS
- Volunteered to conduct practice interviews for undergraduate pre-medical students from minority backgrounds
- Attended the Student National Medical Association National Conference in Atlanta, Georgia in 2012
- Assisted in planning and coordinating the Student National Medical Association Region V Conference in Ann Arbor, Michigan in 2011

Interview Day Student Coordinator, Admissions Department (January 2012 – March 2013)
University of Michigan Medical School
Ann Arbor, Michigan

- Responsible for coordinating the afternoon portion of Interview Day for interviewees
- Facilitated a meet-and-greet between current students and interviewees
- Recruited and trained Admissions Ambassadors for a Q&A panel and a tour of the medical school for interviewees

Interviewer, Admissions Committee (June 2014 – May 2015)
University of Michigan Medical School
Ann Arbor, Michigan

- Trained to conduct both traditional interviews and short-form miniature interviews for medical school applicants

Admissions Ambassador, Admissions Department (August 2011 – May 2015)
University of Michigan Medical School
Ann Arbor, Michigan

- Served as Medical Student Adviser for two groups of interviewees
- Participated in Q&A panels and served as a tour guide during Interview Day
- Served on the M1 Orientation Committee

PRIOR EMPLOYMENT:

Phone Interviewer, Teach For America Admissions Team (August 2010 – May 2015)
Teach For America
New York, NY

- Received more than forty hours of training to conduct second-round phone interviews for applicants to the program
- Conducted approximately forty interviews per year, split into four rounds of applicants

PROFESSIONAL ASSOCIATIONS:

- American College of Obstetricians and Gynecologists
- World Professional Association for Transgender Health
